- **Know your remodeling budget.** Is this for your home or a rental? How much money would you like to spend on it?
- **Know your wants and needs.** What is lacking or needs improvement right now? What have you always wanted? You can visit our showroom to get ideas about styles and stain colors, or bring in your own samples for us to match.
- **Plan a time that works best for you.** Planning in advance can give you the custom work of your dreams at the time you want it.
- **Get a free quote.** Come into our showroom with at least wall dimensions or set up a free appointment to have our designer's measure the job site.
